How Does the DIRECT GIVE Program Work?

This secure program works directly with your bank, just as other electronic funds transfer systems you may already have set up (such as mortgage payment or utility bills). All transactions are done electronically, debiting your bank account automatically for the amount to which you have agreed in writing. It is a simple, hassle free solution for today's busy families!

Can Any Additional Funds Be Taken From My Account Other Than What I have Authorized?

No, only you can designate the amount of money that may be debited on a monthly basis. We maintain physical, electronic and procedural safeguards that comply with federal standards to safeguard your information.

When Do The Transactions Take Place?

On or about the 10th *business* day of each month, we will debit your account for the total monthly contribution amounts you have authorized.

Can I Stop, Increase, or Decrease My Payment At Anytime?

Yes, by contacting the Parish Office **in writing**.

How Do I Sign Up?

By completing the form below, and returning it to the Parish Office. Also, please include a voided check, with the amount to be debited filled in.
