

St. Mark Knights of Columbus Christmas Tree Campaign

“About the Knights of Columbus”

The Knights of Columbus is an international fraternal order of Catholic men, dedicated to the support of our church, our families and the teaching of Christian principles. The Knights were founded by Father Michael J. McGivney (1852-1890). Concern for others is at the heart of our fraternity. The original premise still stands today; to help the widows and orphans of Knights, and to boost the pride of our Catholic faith. Through our Knighthood we are challenged to show concern and provide support for our fellow Knights, their families, and our community. The proceeds raised in the Christmas Tree Sale (one of St. Mark Knight's biggest charity fundraisers) are allocated to children with mental and physical disabilities, the support of our seminarians, our church, families in distress, our teen group, local charities and to simply assist those in need.
